

BIC Evolution® Ecolutions® graphite pencil

BIC® Evolution® Ecolutions® Graphite pencil with eraser **contains 46% of recycled material**. Each BIC® Evolution® Ecolutions® Graphite pencil with cut end **contains 54% of recycled material**, made from post-consumer recycled fridges and pre-consumer yogurt pots.

The percentage of the recycled material is calculated on the total weight of the product.

The calculation of the percentage of recycled materials of our products **complies with ISO 14021** standard for environmental claims and communications.

We have a process with our suppliers to ensure the traceability of all raw materials and guarantee their origins, especially regarding recycled materials used in our BIC® Ecolutions® range.
