

 Media Clic BIOBASED Ecolutions® ballpen

BIC® Media Clic BIOBASED Ecolutions® barrel is made of **69% biobased material**.

The material origination is primarily from non-genetically modified organisms (no GMO) sugar cane or corn certified.

The calculation of the percentage of biobased materials of our products **complies with ISO 14021 and EN 16935** standards for environmental claims and communications.

Complies with the following European product safety regulations:

- REACH regulation (EC) n°1907/2006 and its amendments.
- Regulation (EU) 2023/988 of the European Parliament and of the Council of May 10, 2023, on the general safety of products.
- European Regulation (EC) n°1272/2008 and its amendments, relative to the classification, labelling and packaging of substances and mixtures (for inks).
- International standard ISO 11540 and British standard BS 7272-1:2008 on writing and marking instruments caps.
- British standard BS 7272-2:2008 + A1: 2014 on writing and marking instruments end closures.
