

ecolutions®
CERTIFICATE

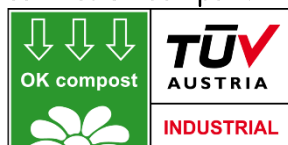

Company name: *BIC Graphic Europe*

Product: *BIC® Media Clic Bio Ecolutions®*

BIC Graphic Europe hereby certifies that:

1. We have a process with our suppliers to ensure the traceability of all raw materials and guarantee their origins, especially regarding bio-based and biodegradable materials used in our BIC® Ecolutions® range.
2. The calculation of the percentage of bio-based or biodegradable materials of our products complies with ISO 14021 and EN 16935 standards for environmental claims and communications.
3. BIC® Media Clic Bio Ecolutions® barrel is made with patented bio-based (70%) and biodegradable (100%) material originating primarily from non-Genetically Modified Organisms (no GMO) sugar cane or corn and certified OK Compost.

4. Km 0 approach:
 - Biomaterial – made in Germany
 - Cartridge – made in France
 - Full product manufactured and printed in Spain
